Dear Inner Wheel Friends,

Everyone is still enjoying the gatherings of family and friends that were celebrated during the holiday season. In the spirit of giving every gift to the needy has brighten their day but it has also lifted our own spirit to be able to share ourselves with others.

What we have received are the voting papers for the international officers and board members. In this process we want our vote to reach the international office on time in order to be counted. Please send the vote first class and have it tracked. This will assure that you have placed your vote at the IIW office. These voting papers need to arrive at the IIW office by March 31, 2013 If you have not received the voting papers from IIW please contact Mary Wall to guide you through the way to attain them from the web site.

The candidates for office are from Inner Wheel Clubs all over the world. There are Inner Wheel Members willing to spend their time and energy to bring Inner Wheel to a successful new year with their dedication and expertise. Our own Inner Wheel USA has volunteers to continue the work this women's organization. For IIW Vice President Norma Trillia has been nominated. Joan Cotton has is among those of the nominees for IIW Treasurer. In the list of board of directors Suzanne Robinson is one of the candidates that need to have your clubs vote. There are only 16 that will be on the International Inner Wheel Board of Directors.

As we prepare for the Charleston IWUSA Conference, we will have a chance to reflect on the success and contributions each club has given to their community. This conference is an opportunity for everyone to celebrate the success of Inner Wheel here in the United States. We will be able to hear of our growth in membership and in the service of others. Preparation for the conference includes the Credentials Papers for the voting on the proposals that are due on March 18, 2013. The papers are to be returned to Elaine Willis in Florida at that address.

Prepare to make the commitment to attend. We hope several members of your club join in the fun. Come learn more about the work of Inner Wheel throughout the United States.

In Inner Wheel Friendship,
DONNA
