Dear Inner Wheel Friends,

February as Inner Wheel USA Foundation Month has brought together many clubs. In keeping with the International Inner Wheel Presidential Theme "Be a Friend" we are promoting true friendship, encouraging personal service, and fostering international understanding. The fun of socializing together takes on a deeper meaning when there is fund raising for the Foundation. Inner Wheel Clubs all over the world work towards creating HAPPIER FUTURES for children with a wide variety of social projects. Our IWUSA Foundation is our social project in the United States. The myoelectric limb project with Hanger does make a difference in the lives of children.

The service work of Inner Wheel USA Clubs does not stop with our IWUSA Foundation. Each of our clubs gives service in our communities to women, children and families bringing HAPPIER FUTURES for those struggling in poverty.

There is also the commitment to help where there is need in other countries. For International Service we can support a Rotary project or one that we find in a United Nations Report. The commitment to be that support can be at club or district level.

In our directory there is a quote from Leo Buscaglia:

A SINGLE ROSE CAN BE MY GARDEN...
A SINGLE FRIEND, MY WORLD

When speaking of working together as friends in Inner Wheel, I am privileged to have friends with values that want to help children and families in this world. Our world is family, community, country and the whole world. If we think of each person as a single rose then we do have a BOUQUET OF RED ROSES THAT WE CALL FRIENDS.

The continuation of the leaders of our districts and clubs is evident as we have nominated and elected our officers for the Inner Wheel year 2013-2014. We will celebrate the past three years of Inner Wheel at the Charleston IWUSA Conference, but we look forward to continuing service with new leadership.

In Inner Wheel Friendship,
Donna Weiler, IWUSA President
