Dear Inner Wheel Sisters,

As the Thanksgiving weekend arrives, we have much for which we are thankful. The hurricane Sandy impacted many families and friends. Our Inner Wheel has clubs that were in the path of the storm. In response to loved one that needed help to their devastation many responded financially as well as giving moral support. We need to thank those who responded whether they knew who they helped or not. Our friends in the path of the storm have been in our thoughts and prayers. Our nation has endured drought, flooding, fire and wind. We have helped each other.

As Mary Lubeck writes in her Friends' Calendar:

IN THE STORMY SEA OF LIFE
THE BEST ANCHOR IS A FAITHFUL FRIEND.

The work of Inner Wheel continues as you well know. Inner Wheel clubs are women of action who work together to make a difference.. It is the emphasis on membership that has all clubs asking women of similar goals to join Inner wheel. Service volunteers in your community are your friends, neighbors and acquaintances. Women that are committed to service in your community are potential members.

The conference in Charleston has sent out the information for registration and program. Encouraging all Inner Wheel members to participate will ensure a successful conference. We already have visitors registered from Inner Wheel of Mexico. We have invited Inner Wheel of Canada. Possibly there will be a visitor from Scotland. Participate in the fun with the tours. Form new Inner Wheel friendships. Discover International connections. Fundraise for Foundation and Inner Wheel with Walkathon. Take a chance on the raffle. Create a box for the contest of Foundation Boxes for Fundraising. I hope you come to enjoy the conference.

The International Inner Wheel Governing Board met in October. The meeting minutes are being sent to all clubs. You have chosen what you will do as service in your community and for the Inner Wheel Foundation. Your service is encouraged and appreciated.

In Inner Wheel Friendship,
Donna Weiler
