Dear Inner Wheel Friends,

As the President of Inner Wheel USA I am impressed with each member of this organization. Your contribution through service has made your community a better place. The mission statement of Inner Wheel U.S.A. is to unify and support the Clubs, Districts, and Zones in the United States. The changes in membership qualifications can benefit us in strengthening and expanding Inner Wheel throughout the United States. With our individual clubs being strong we will achieve these goals.

With the support of International Inner Wheel we are encouraged to increase our membership in existing clubs. We are not only able to invite those related to Rotary but also women of similar community service goals. We all have friends that work with us on service projects in our community. These are people that will be interested in the fact that Inner Wheel is a local club with global connection.

Whether it has been help with computer skills, copies of Inner Wheel reports, class on internet use, printing of Inner Wheel material or sharing a service project with a neighbor, we receive the question "WHAT IS INNER WHEEL?". These are opportunities to share who we are with someone that has a true interest. We can be proud that we have a National Project of the Myoelectric Limb in partnership with Hanger. We also can choose what international service project that can help children of the world. These are some strong reasons to want a friend to join the largest women's group in the world with you.

**DON'T WATCH FROM THE SIDELINES~
JOIN THE FUN...**

THE PARADE OF FRIENDSHIP

IS FOR EVERYONE!

Mary Lubeck

.In Inner Wheel Friendship,
Donna
