WHAT IS INNER WHEEL?

Inner Wheel concentrates on friendship and personal service. It is not what is termed 'a money raising organisation' but each Club selects its own charities and channels of service.

One of the greatest features of Inner Wheel is the opportunity given to members the world over to get to know one another, thus contributing to international friendship and understanding.

International Conventions are held at intervals – any member may attend.

FACTS YOU SHOULD KNOW

International Inner Wheel links together members all around the world, on every continent.

Members are able to communicate with one another through correspondence, exchange visits, and joining together in international projects. Presidential tours bring members closer together as they learn of Inner Wheel activities in vastly different territories. Clubs give service in their own community as well as looking beyond their national boundaries.

In order to appreciate fully the strength and traditions of Inner Wheel, one must of course, look back at the inspiration, devotion and vision of our Founder President Mrs Oliver Golding (Margarette), who formed the first Inner Wheel Club in Manchester in 1924, and also those members who have given such fine leadership over the years.

The roots from which International Inner Wheel has grown, were established in 1934 when the Association of Inner Wheel Clubs in Great Britain and Ireland was formed with Mrs Oliver Golding as the Founder President and Mrs Nixon as Secretary, both being members of the Manchester Club, England. They realised that unity is strength and had the wisdom and foresight first, to group Clubs into Districts and then, later to bring the Districts together to form an Association.

At an early stage in its existence Inner Wheel began to spread overseas, Ballarat (Australia), Berger (Norway), Napier (New Zealand), Winnipeg (Canada) and Port Elizabeth (South Africa) being amongst the first Clubs formed. In 1947 the words 'in Great Britain and Ireland' were removed from the title and it became known as the Association of Inner Wheel Clubs.

In 1962 for the first time members from countries outside Great Britain and Ireland were invited to sit on the Governing Body, but it was not until 1967 when International Inner Wheel came into being that there was the opportunity for qualified Members in any country to become Officers, e.g., President.

In 1993 it was agreed to restructure the International Governing Body with Officers and Board Directors limiting the number of persons forming the Governing Body.

In 2012 it was agreed that the Constitution Chairman should become an officer, ex officio, on the International Executive Committee.

International Inner Wheel Theme

Each year a theme is submitted by the International Vice-President to the International Executive Committee for its approval. No alternative themes should take precedence over the International theme.

The term 'International Inner Wheel' must not be used on Club, District or National Governing Body paperwork as a primary heading.

THE CONSTITUTION

The Constitution of International Inner Wheel is binding on all members and covers the emblem, objects, qualifications for membership, election of International Officers and Board Directors.

The official language is English.

All Charters are granted by International Inner Wheel and signed by the International President.

When a new Club is part of an Association/National Council, the Charter should be signed by the International President and either the Association/National President or the National Representative.

When a new Club does not have a National Governing Body, the Charter should be signed by the International President and the National Representative, if one exists. The Charter will not be sent until the Capitation Fees have been paid.

National Level structures

- (a)** Countries with a large number of Clubs, many Districts, a National Governing Body and an elected National Representative.
- (b)** Countries with a number of Clubs, some Districts and an elected National Representative.
- (c)** Countries with a small number of Clubs, which form a District or Districts, but without an elected National Representative.
- (d)** Countries that have no National or District structure but have a number of individual Non Districted Clubs.

Districts and Clubs within a designated boundary can form a National Governing Body (minimum of 2 Districts) The NGB shall consist of the elected Officers and Council members and an elected National Representative. (See 1 (a) above)

Where there is a single District or a group of Districts with a National Representative. The National Representative shall report on the work of the Districts and liaise with International Inner Wheel. This is the structure referred to as (b) above.

It is possible to divide a District.

It is possible to disband a District, where the number of Clubs are unable to sustain a District.

The Clubs would then become Non Districted Clubs as in 1(d) above, or may join an adjoining District. There is no restriction on the number of members a Club may have. If it is considered the Club is too large to operate satisfactorily it may divide. Consideration must be given that a new Executive and Committee shall need to be elected for a subsequent Club. Where a Club diminishes in size, it can continue to operate as long as the members wish. It is possible to disband and allow members to join other Clubs. Small Clubs may merge.

NATIONAL BYE-LAWS

National Bye-Laws at Club, District and National level must receive the approval of the International Executive Committee.

These Bye-Laws enable members to enjoy their

membership according to the customs and traditions of their own country.

CLUB MEETINGS

It is usual for Clubs to meet monthly, although some Clubs do prefer to meet fortnightly. Attendance is not compulsory.

Where Clubs have a speaker at every meeting, the business items should be transacted before he or she arrives. Club business should be transacted with regularity and it is advisable sometimes to hold separate business meetings.

The following is a suggested procedure:-

President's opening remarks

Apologies for absence.

Minutes to be read, confirmed and signed.

Matters arising.

Correspondence.

Reports.

Any other business.

International Inner Wheel Minutes, National Governing Body Minutes and District Minutes should be summarised and explained at Club meetings.

1. Should a discussion arise, the President must maintain an impartial attitude and be sure that all decisions reflect the wishes of the majority of the members.
2. All speakers must address the chair.
3. A proposal shall be seconded before it is opened up for general discussion.

4. An amendment to a proposal must embody some improvement or alteration: any amendments shall be voted on before the proposal.
5. The decision of the President regarding the conduct and order of the meeting shall at all times be final.
6. At all meetings, if votes are equal, the President shall have a second or casting vote.
7. The Club should advise its delegates on how it wishes them to vote at District meetings, but should give them discretionary power on hearing other points of view or in the case of amendments.

NEW MEMBERS

The Secretary of the Rotary Club should always be asked to help by sending the names and addresses of all new Rotarians to the Secretary of the Inner Wheel Club.

In the case of women not connected to Rotary or Inner Wheel, the President, or her representative, should make a personal visit to a possible new member and extend an invitation to attend a Club meeting, as a guest or prospective member.

Since 2005, some 'Next Generation Clubs', with more flexible meeting arrangements, have been formed, to encourage younger, working women to join. For further information contact IIW Headquarters.

Welcome to new members

The following is a suggested form of procedure for welcoming new members:

At the beginning of the meeting the President should read the Objects of Inner Wheel (Constitution & Handbook page 1) and address each of the new members by name and say:

You have been invited to become a member of this Inner Wheel Club because we are sure you will welcome the responsibilities of friendship and service that membership brings with it.

We believe that you will enjoy being a member of our truly International Organisation and take a full and active part in all that this Club offers.

We do hope that you will feel you are among friends, and enjoy participating in all aspects of Inner Wheel.

The President will call upon all present to stand, and addressing the new member say:

.....on behalf
of the Members of the Inner Wheel Club of

.....

I welcome you: and (addressing the Club) I introduce this new member to you and ask you to extend your friendship to her.

CLUB ANNIVERSARIES

The date of registration and the date of the inaugural meeting are shown on the Charter, and either may be regarded as the official anniversary of the Club.

Sometimes a special anniversary celebration is held and this gives an opportunity to renew the objects of Inner Wheel.

INTER CLUB VISITS

Visits between Clubs widens the circle of friendship, as well as providing an opportunity for the exchange of ideas.

VISITORS

The time and place of meetings may vary during the year and members visiting other Clubs are therefore asked to telephone Club Secretaries beforehand.

Members invited to speak when visiting Clubs in countries other than their own, do so in a personal capacity. Care should be taken that any facts or information given, are accurate and up to date.

TRANSFER

A member who has moved to another town may transfer to the Inner Wheel Club of that town. The Secretary of the Member's previous Club shall communicate with the Secretary of her new Club. Any adjustment of subscription is a matter for agreement between the Treasurers concerned.

In the case of a member from a Non-Districted Club wishing to apply for a transfer, application should be made to International Inner Wheel Headquarters.

A member moving to a country or town where there is no established Inner Wheel Club may retain her membership through her former Club. Any question of dues is a domestic matter for the Club concerned.

FINANCE – CLUBS

The money for the running of Inner Wheel at all levels comes from members' subscriptions. In fixing the annual subscription, the Club must ensure that it will cover the International Inner Wheel Capitation Fee, National and District dues (where they are established) and sufficient for the day-to-day working expenses of the Club.

When a Club is part of a District, if there is no District Fares Pool for District Meetings, then the Club subscription should be sufficient to cover the travelling expenses of the Voting Delegates when attending District Meetings. A Delegate should always accept these expenses, as it is the policy of Inner Wheel to ensure that no member is debarred from taking any office, because of the expense involved.

Non Districted Clubs pay their Capitation Fees direct to International Inner Wheel Headquarters.

Clubs are reminded that failure to pay Capitation Fees will affect the eligibility to vote in elections and participation in other Inner Wheel matters.

Treasurer

The Treasurer is the custodian of all Club funds, including any monies raised by the sub-committees.

All payments from the Club funds should be made by cheque, standing order, direct debit, bank transfer or

on-line banking, and signed by 1 of the following officers: President, Secretary or Treasurer with approval of another club officer. The responsibility for correct accounting procedures lies with these individuals jointly. No one individual should take control of the finances.

Two accounts should be kept:

Account No. 1 General Account

Account No. 2 Charity Account

At each meeting the Treasurer should give a report of the balances of these 2 accounts.

Audit

The accounts of the Club must be audited and copies circulated to all members at least 4 days before the Annual General Meeting.

Account No. 1

General Account

This covers all Capitation Fees to Inner wheel:

International, National and District; plus such items as stationery, postage and telephone, printing, hire of hall, speakers' fees, and any other necessary administration costs.

Account No. 2

Charity Account

All monies raised for service and charitable gifts to which members of the public have subscribed must be used for this purpose only. They cannot be used to defray Club expenses.

Allocation of Charity Funds

All members should have the opportunity to voice their opinions. It does, however, save time if the Club Executive

Committee can bring recommendations to the general meeting for discussion and decision by the majority.

Raising Money

Each Club finds different ways and means of raising funds. Some examples are raffles, bring and buy sales, good as new shops, sales of goods made by members, boutiques, games evenings, speaker evenings, fashion shows etc.

EXTENSION

No member should speak on behalf of International Inner Wheel without prior consultation with International Inner Wheel Headquarters.

Every member finds opportunities to talk about Inner Wheel especially when meeting prospective new members. In order to give correct information, she should be familiar with the Constitution and the history of this worldwide organisation.

Extension in Districts

The Extension Committee or Extension Organiser is responsible for this work in the District.

The Extension Chairman or Organiser could in the first instance approach the Rotary Club or an Inner Wheel Club, to sponsor a new Club. If neither show any interest, those ladies who wish to be Inner Wheel members may be approached directly, if it is evident that some would like to form a Club or join an existing Club.

DISTRICT MEETINGS

See District Rule 17, A, B, C, D, E

Assembly

This takes the form of group meetings of Club Presidents, Secretaries, Treasurers, Correspondents and International Service Organisers, each group being presided over by the appropriate District Officer or Executive Member.

These meetings enable each Officer to be briefed about her duties and give opportunities for discussion of new ideas. They are particularly helpful to members taking office for the first time.

Rallies

The Rally is a gathering of every Club in the District, which all members may attend. It is not a business meeting, but provides an opportunity for Club members to meet together socially at District level.

International Service meetings, Inter-District meetings and Inter-country gatherings also create much enthusiasm amongst members.

CORRESPONDENCE

There is a naming convention for all paper work.

Clubs will be known as: The Inner Wheel Club of.....

..... (name). Districts will be known as:

District..... (number) of..... Country/ies/
geographical regions.

National Governing Bodies will be that of the country/ies or geographical region.

Districted Clubs

The normal procedure is for the Club to communicate with the District and for the District to communicate with the National Governing Body/Association and National Representative, if any, who will refer the matter to International Headquarters if necessary. In special circumstances Clubs may write direct to International Headquarters, or the Association/National Governing Body, but copies of the correspondence must be sent to the National Representative, and the District Secretary where applicable.

Non Districted Clubs

Non Districted Clubs correspond directly with International Inner Wheel.

There are 4 kinds of elections:

The work of a Standing Committee is delegated to them by the District Committee to whom they are responsible.
